

BioLink Call 2016

Letter of Intent (Template)

Applicant responsible for communication with the SNSF:

Indicate the name, employer, position, phone number and e-mail address of the applicant responsible for communication with the SNSF.

Further applicants:

Indicate the name, employer and position of each applicant, as well as her/his specific role and responsibility in the project.

Project partners

Indicate the names, employers and roles of the project partners (please refer to the call text for definition of project partners).

Abstract

Describe the background, rationale, aim(s) and the methodology of the scientific questions to be solved by networking biobanks. Briefly describe the biobanks to be linked (type, content). The abstract should not exceed 4000 characters, including spaces.

Name and signature of the applicant responsible for communication with the SNSF

Submit the document in PDF format (not write-protected) until 12 July 2016 to the e-mail address biolink@snf.ch. Name the file as follows: **BioLink_LOI_Name.pdf (e.g. **BioLink_LOI_SmithKevin.pdf**)**
