

Sinergia panel members

Sinergia Panel Mitglieder

Membres du panel Sinergia

Laurent Tissot (President, Specialised Committee for Interdisciplinary Research)

Professor for social and economic history, University of Neuchâtel

Alessandro Lomi (Vice-president, Specialised Committee for Interdisciplinary Research)

Professor for organization and management theory, Università della Svizzera italiana

Pasquale V. (Lucio) Baccaro (Member, Specialised Committee of Interdisciplinary Research)

Professor of macro-sociology, University of Geneva

David Andrew Barry (Member, Specialised Committee for Interdisciplinary Research)

Professor for ecological engineering, Swiss Federal Institute of Technology Lausanne

François Degeorge

Professor for financial economy, Università della Svizzera italiana

Antonio Ereditato (Member, Specialised Committee for Interdisciplinary Research)

Professor for high energy physics, University of Bern

Thanos Halazonetis

Professor for molecular biology, University of Geneva

Ellen Hertz

Professor for social anthropology, University of Neuchâtel

Christof Holliger

Professor for environmental biotechnology, Swiss Federal Institute of Technology Lausanne

Jana Koehler (Member, Specialised Committee for Interdisciplinary Research)

Professor for computer science, University of Applied Sciences and Arts in Lucerne

Andreas Lüthi (Member, Specialised Committee for Interdisciplinary Research)

Senior Group Leader in neurobiology, Friedrich Miescher Institute for Biomedical Research Basel

Sylvain Malfroy (Member, Specialised Committee for Interdisciplinary Research)

Professor for architectural and urbanism history and theory, College of Engineering and Architecture of Fribourg (University of Applied Sciences)

Dirk van der Marel (Member, Specialised Committee for Interdisciplinary Research)

Professor for quantum materials, University of Geneva

Jean-François Molinari

Professor for computational solid mechanics, Swiss Federal Institute of Technology Lausanne

Dominique Muller

Professor for neurosciences, University of Geneva

Simone Munsch (Member, Specialised Committee for Interdisciplinary Research)

Professor for clinical psychology and psychotherapy, University of Fribourg

David Norris

Professor for materials engineering, Swiss Federal Institute of Technology Zurich

Andreas Papassotiropoulos

Professor for molecular psychology, University of Basel

Walter Reith (Member, Specialised Committee for Interdisciplinary Research)

Professor for pathology and immunology, University of Geneva

Ian Sanders (Member, Specialised Committee for Interdisciplinary Research)

Professor for evolutionary biology, University of Lausanne

Jürg Schifferli

Professor for immuno-nephrology, University Hospital Basel

Francesco Stellacci (Member, Specialised Committee for Interdisciplinary Research)

Professor for supramolecular nanomaterials and interfaces, Swiss Federal Institute of Technology Lausanne

George Thalmann (Member, Specialised Committee for Interdisciplinary Research)

Professor for urology, University Hospital Bern

Christoph P.E. Zollikofer (Member, Specialised Committee for Interdisciplinary Research)

Professor for anthropology, University of Zurich
