3	Calculate the budget for room and board expenses	We accept amounts of up to CHF 3'000 per month (CHF 3'500 for lower-income countries*). For a visit ending and/or starting during a month, the lump sum must be calculated pro rata to the monthly amount (e.g. for a visit lasting 70 days (2 months + 10 days), the contribution will amount to a maximum of $(2 \times 3'000) + (10/30 \times 3'000) = 7'000$). For the calculation, please always consider a month as having 30 days.
