1.	Maximum Budget per project	Please submit a budget of max. CHF 2'175'000
2.	Overhead	Please do not put overhead in your budget, it will be calculated separately and transferred directly to the institution (standard SNF process)
3.	PI salary	According to the university's salary brackets (without the social contribution costs of the institution, this will be automatically calculated and added to the budget field social contributions)
4.	Salary Doctoral students	Yearly between CHF 40'070-50'040 not dependent on the work percentage (without the social contribution costs of the institution, this will be automatically calculated and added to the budget field social contributions)
5.	Salary Postdocs	Yearly between CHF 80'000-105'000 when employed 100% (without the social contribution costs of the institution, this will be automatically calculated and added to the budget field social contributions)
6.	Salary Other collaborators	Yearly minimum CHF 40'000 when employed 100% (without the social contribution costs of the institution, this will be automatically calculated and added to the budget field social contributions)
7.	Subcontracting	Can be max. 20% of the overall budget
10.	Open Access	Open Access costs cannot be budgeted, they have to be requested separately over mySNF with a separate application via Chronoshub

11.	Additional costs	<p>On top of the max. budget of CHF 2'175'000 additional costs of max. CHF 870'000 may be requested for</p> <ul style="list-style-type: none">a) costs in connection with the move to Switzerland;b) the acquisition or use of scientific infrastructure/major equipment; According to implementation regulations this costs have to be project-specific and not usable for other research groups. Standard infrastructure and equipment is partially financed with the overheadc) other major experimental and field work costs, excluding personnel costs. <p>The costs can also be budgeted if the max. budget of CHF 2'175'000 is not reached.</p>
